Conditions.

1. The tender should be superscribed as "Tender for the purchase of timber from the Bhadravati, Channagiri and Ubrani Depots". The rates should be per C.ft. of each kind written distinctly in words as well as in figures.

2. Each tender should be accompanied with the earnest deposit of Rs. 200 in currency notes which will be returned in the case of unsuccessful tenderers.

3. The final acceptance of the tender rests with the Conservator of Forests or the District Forest Officer as the case may be who reserves to himself the power of accepting or rejecting any tender without assigning any reason therefor.

Tender of defaulters to the department will not be accepted.

Tender should accompany with a solvency certificate as under the Tangadi sale rules.

Note.—It should be clearly noted that the contractor should make his own arrangements for the removal of timber from depot and that the Forest Department will not undertake any responsibility in the matter of opening roads, etc.

Within a week from the date of intimation of the acceptance of the tender, the contractor whose tender is accepted shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government, and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government, shall not be taken into account.

The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th June 1933. The moneys shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

If the amount is not fully paid for by the purchaser before 15th June 1933 the initial deposit as well as the other moneys already paid in, shall be forfeited to Government, and all or any portion of the timber not fully paid for, shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value.

No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the forest officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

Timber purchased should be removed as early as possible and in no case should it be allowed to remain longer than 90 days after the 15th June 1933. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of sale.

Ordinarily no extension of time will be given for the payment of any amount but if any amount is permitted to be paid after the due date interest will be charged therein at 9 per cent per annum.

If the timber is not removed within the time allowed, the same may, after ten days notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, will be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

District Forest Officer.
